**Re: Skellig Engineering Ltd, Unit 4b, Old Mill Industrial Estate, Kill, Co Kildare.**

Over the past 3 years we have recommended Skellig Engineering Ltd as mechanical contractors on various projects, for example:

- Department of Enterprise Trade and Employment / Supply and install ventilation and water services to toilet areas.
- National Archives/ Installation of air conditioning units and refurbishment of low pressure hot water system.
- St. Declan's School Ashbourne/ Installation of new heating system in existing school.
- ESB Fitzwilliam Street/Installation of solar panel system and fit out of new changing room facility.

We find the management and staff of Skellig Engineering Ltd to be competent and diligent in the execution of their contracts and adherence to programme and budgets.

Yours sincerely,  
For & on behalf of: Mott MacDonald Pettit
